Referral forms & more information is available on the website

Support from Your Community your community

IMPROVE YOUR HEALTH & WELLBEING BY

CONNECTING WITH YOUR COMMUNITY

Do you feel that you would benefit from some support to connect with your community?

We can help you to compliment your care by supporting you to connect with your local community.

This could include anything from physical activity, sit and chat social groups, education, counselling, complimentary therapies to where you can access specialist advice.

How will you be supported?

Accompany you to activities until you're confident to go it alone

Offer information about local activities and interest groups

Match you with a volunteer who will go along to activities

Give you information on local services including debt advice, benefits advice & financial support if you need it

Help you to find transport for appointments & activities

What are the Social Prescribing Team?

SP Team Members are volunteers from your community

SP Team Members are caring & compassionate people

SP Team Members will have a positive impact on your health & wellbeing

The SP Team is managed by your local CVS
